TOP 5 FACTS

ANTI-THEFT.

Experience modern design and enhanced security. Englneered with an anti-theft design and a self-locking metal zipper puller.

SELF-LOCKING METAL ZIPPER PULLER

Provides convenience and security, ensuring that the zipper remains closed when desired without the need for additional fasteners or mechanisms.

SMART INTERIOR ORGANISATION

For easy access to all your essentials, with advanced security features, offering a stylish and protected journey for the modern explorer.

YKK WATER-PROOF ZIPPERS

Specialised zippers designed to prevent water from penetrating through the zipper teeth and entering the enclosed space. Keeps your things dry!

HIDDEN TRACKING DEVICE POCKET.

Provides peace of mind, always being able to track your bag should it get lost or stolen.
