TOP 5 FACTS

ANTI-THEFT.

The iconic Bobby anti-theft design with hidden zipper, hidden and RFID protected pockets, no front access is complemented with a safe and lockable zipper puller that will keep your belongings even more protected.

EXPANDABLE TOP.

The top of the backpack is expandable giving additional space to store clothes, books or everything you need for your everyday use. Expandable capacity from 13L up to 16L

INTEGRATED USB CHARGING PORT.

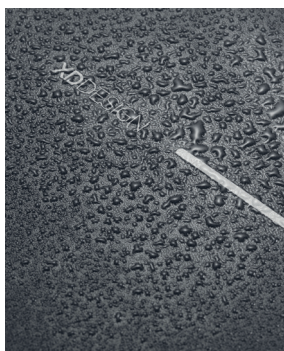

There is an integrated USB port in the bag. Simple connect a powerbank inside and charge your phone everywhere.

*Powerbank not included.

WATER REPELLENT.

The Bobby Soft has a water repellent coating. Don't worry about a light rain or accidents, the water can't easily penetrate on the material keeping your belongings safe.

MADE FROM RECYCLED MATERIALS.

Made from R-pet materials and AWARE™ tracer. With AWARE™, the use of genuine recycled fabric materials and water reduction is guaranteed, by using the AWARE disruptive physical tracer and blockchain technology. Each Bobby Soft saves 22L of water and reuses 37 plastic bottles.
