

FULL COLOUR

DIGITAL ROUND 360°

Full colour digital printing means printing in many vivid colours. Not only is it eye catching, it also makes logos and images more memorable. Important factors for brand recognition. On top of that, the full colour logo or image will give your printed gift an even more professional look.

- Selection extended monthly
- Spectacular full colour (CMYK) printing with shiny finish
- Print on selected items from collection
- From 1 piece onwards
